## GUIDELINES

### LSAC's ApHC WORLD SHOW NOMINATION GUIDELINES

1. LSAC will require members desiring a World Show nomination to submit in writing a request for nomination, specifying the owner's name, horse's name, and class to be nominated. The requests must be received by the secretary of the club by July 15. An email request can fulfill this obligation.
2. LSAC will nominate the maximum number of horses in each class allowed by the National Club which meet the minimum requirements set forth by the ApHC.
3. If there are more horses qualified to be nominated in a specific class than allowed that year by ApHC, then the LSAC point system will be used to determine who is nominated.

These guidelines are to be publicized to the membership in the LSAC program guide and in the newsletter prior to the deadline for nomination requests. The committee believes that nominating the maximum horses allowed is in the best interest of the club and attracts more exhibitors to our shows.
